"ONE (1) 20-minute continuous-clock game w/ last 2 minutes being "regular clock" IHSA rules.

Each team gets one (1) stop of the clock per game (not a full time out – the 30 second play clock continues to run).

1st OT – each team gets a 4-down possession from the 10. If 2nd OT is necessary, there will be a coin flip and then it becomes sudden-death (first team to score wins) (also 4 downs from the 10 yard line).

This is being done to hopefully help keep the games on schedule.
